Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

The roof on Classrooms 1 - 6 were last replaced in 1978. This roof is in need of reroofing at this time. We did remodel the inside of this building in 2011 but there was not enough money to also reroof. We have not experienced any leaks as of yet, but I would like to see it replaced before that happens to the remodel.

Project Category: Roofing

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N
